**0000 - INITIAL COMMENTS**

A complaint investigation (CCR 2017002360) was conducted at Refuge A Healing Place Residential Treatment Center on . . . . . Refuge A Healing Place had a deficiency at the time of the investigation.

Based on record review and interview the facility failed to ensure the facility was administered in a manner that consistently protected resident's life and physical safety for 1 client (Client #3) for whom a lapse of supervision resulted in a completed . . . . . attempt of 5 sampled clients.

**Findings:**

Record review of a written statement related to Client #3's . . . . . prepared by the facility Chief Executive Officer revealed the following documentation . Client #3 committed . . . . . on . . . . . by cutting his wrists with a razor. On . . . . . at 7:27 AM, staff responded to an emergency call by Client #3's . . . . . in Cabin 10. Client #3's . . . . . reported Client #3 was in the . . . . . not responding. Staff entered the . . . . . found Client #3 in the bathtub with water running. Client #3 was immediately removed from the tub and . . . . . was initiated. 911 was called. At 7:45 AM, the ambulance arrived, evaluated Client #3 and pronounced Client #3 to be . . . . .

During interview on . . . . . beginning at 9:44 AM, the facility Chief Executive Officer stated that Client #3 had been admitted to the facility for treatment for . . . . . addiction and . . . . . He stated that prior to Client #3's . . . . . clients who were allowed to use shaving razors were instructed to lock the shaving razor away in a lock box after use. He stated that facility staff made rounds daily to ensure shaving razors had been locked away after use. He stated that if a staff member found an unsecured shaving razor, the unsecured shaving razor was secured and then disposed. He stated that one of Client #3's cabin mates had a pass to use a shaving razor. He stated that it was uncertain whether Client #3 obtained the shaving razor from his cabin mate. He stated that no unsecured shaving razor had been noted on the rounds log for the time period surrounding Client #3's . . . . .

Record review of facility safety rounds documentation (dated . . . . . through . . . . . ) failed to reveal facility staff had located and secured an unsecured shaving razor during facility safety rounds of Client #3's cabin.

During interview on . . . . . at 3:54 PM, the facility Chief Operating Officer agreed that the facility failure to ensure shaving razors were secured was a lapse in facility supervision of clients.
